

Pilgrims' Way Primary School

Physical development/Sports Premium Impact and Action Plan 2023 – 2024 Review

Current Context:

This year, the Sports Premium allocation is £18,000. This strategy statement outlines the key barriers to sports provision and highlights the key strategies to improve the sports provision for pupils at Pilgrims Way Primary School. The school has a high level of deprivation, with approximate ??% children eligible for free school meals. As such, barriers to future achievement in sport include:

- **In School Barriers**

- Children's self-esteem and confidence in sport due to limited experiences
- Children's lack of incentive to maintain a healthy lifestyle
- Breadth of skills outlined in the National Curriculum restrict the range of sports activities delivered due to limited knowledge of staff
- Teacher and TA knowledge of key skills within current PE curriculum.

- **External Barriers**

- With high levels of deprivation, many pupils have no access to clubs and sporting activities. At the time of writing, only 8% of children attend sports clubs outside of school.
- Some diet and health choices at home may not lead to a healthy lifestyle.
- Lack of exercise for an extended period of time due to lockdown measures from Covid-19
